VOLUME 23

Subject Index 1968

A

A commission on health science and society (Mondale), 1092
Acquired hemolytic anemia. Does auto-immunity play a role? (Anthony), 554
Advances in surgical pathology (Hathaway), 540
Afternoon diabetes (Bowen; Reeves; Nielsen), 261
AMWA Annual Meeting 1967
Reports to the House of Delegates:
Executive Board and Committee Chairman, 56
Branch Reports, 75
Amendments to National Constitution and Bylaws, 83
Resolutions adopted by House of Delegates 1967, 85
Courtesy Resolutions, 86
Additional Action by House of Delegates, 87
AMWA President 1968—Alice Drew Chenoweth, M.D. (Pincock), 20
Inaugural Address: Exploring Medical Talent (Chenoweth), 22
Elizabeth Blackwell Award presentation to Amey Chappell, M.D. (Waugh), 27
Carroll L. Birch Award presentation to Margaret M. Westland (Asma), 29
Biography: Margaret M. Westland, 29
In Memoriam, 53
AMWA Constitution and Bylaws—as amended to December 1967, 383
AMWA Branch Officers: 379, 648
AMWA Junior Branch Officers: 381, 650
AMWA's 12 Point Program: 172, 297, 482, 764
Anabolic agents: Clinical efficacy versus side effects (Moldawer), 352
Anabolic steroids in the management of chronic wasting diseases (Wewalka), 339
Anabolic steroids in muscular, neurologic and hematologic disorders (Faludi; Dykyj; Chayes; Nodine), 346
An anniversary to be remembered (Kittredge), 282
Anderson, Camilla M.: Molestation of children, 204
Anthony, Catherine W.: Career in Pathology, 517
Acquired hemolytic anemia. Does auto-immunity play a role? 554
Arnold, Aaron: (see Beyler), 708
Avery, Mary Ellen: 1054
A.W.H.S. interested in new medical projects (Morani), 544

B

Barnes, Benjamin A.: (see Murray), 985
Bellevue pediatric project (Lyman), 440
Beyler, Arthur L.: Methods for evaluating anabolic and catabolic agents in laboratory animals, 708
Bhatti, T. H.: (see Bouzarth), 631
Biology of transplantation (McCracken), 991
Blagg, Christopher R.: (see Fenton), 1096
Blatman, Saul: Some community aspects of the health services programs for children and youth at the Beth Israel Hospital, New York City, 436
Bone changes in patients with renal transplants (Hall; Hume), 1040
Books available for review: 376
Book reviews: 290, 566, 646, 1141
Bouzarth, Wm. F.: Subdural hematomata in the elderly, 631
Bowen, Angela J.: Afternoon diabetes, 261
Brown, Frederick G.: Hemodialysis and transplantation, 1024
Brown, Thomas E.: Role of the medical center in sex education, 187
Brodie, Jessie Laird: Family planning and our Latin American colleagues, 559

C

Calderone, Mary S.: Sexual problems in medical practice, 140
Canales, Carlos O.: (see Sarles), 1126
Candidates for Office 1969, 839
Candler, Marguerite L.: Do we eat to live? 805

Career
in Pathology (Anthony), 517
in Radiology (Snyder), 831
Carotid sinus hypotension and venous return (Pusin), 898
Changing patterns in health services for mothers and children (Felton), 431
Chayes, Zev W.: (see Faludi), 346
Chenoweth, Alice D.—**President's Message, 1968**
The AMWA, 19
Family Health and Happiness, 216
Conference on Medicine as a Career for Women, 283
My Visit to Branch Eighteen, 370
Health Services and Pediatric Care, 469
Women Physicians, 562
Maternal and Child Health Legislation, 642
WMCP and Future Women Physicians, 748
M.W.I.A. and the Hungry Millions, 835
Our Junior Members, 887
A Salute to our Office Staff, 1053
Women in Medicine, 1138
Chenoweth, Alice D.: Public programs in family planning in the U.S.A., 797
Child development in the problem family (Lewis), 44
Child's heredity (Nyhan), 31
Common sexual deviations (Marmor), 162
Comprehensive health care for children—Is this enough (Russell), 442
Councilors, Chairmen, Committee Members: 293

D

Dausset, Jean: (see Rapaport), 1029

Comprehensive health care for children—Is this enough (Russell), 442
Councilors, Chairmen, Committee Members: 293

D

Dausset, Jean: (see Rapaport), 1029

Dembitz, Judge Nanette: Report of American Bar Association on law and family planning, 173
Depletion of circulating lymphocytes in preparation for allotransplantation (Sarles; Fish; Remmers, Jr.; Fine; Canales; Beathard; Ritzmann; Tyson; Levin), 1126
Doctor talks about menopause (Dodge), 638
Dodge, Eva F.: The doctor talks about menopause, 638
Donor nephrectomies and moral responsibility (Fletcher), 1085
Dorfman, Ralph I.: Relative potency of steroids on the rat levator ani muscle, 725
Do we eat to live? (Candler), 805
Dykyj, Roman: (see Faludi), 346

E

Early and late adolescence (Farnham), 155

Editorial
Introductory article on sex education (Morrow), 125
Editor's addenda (Morrow), 213
Foreword—Hahnemann Symposium: Anabolism and Catabolism in Health and Disease (Faludi), 323
General Robert Wood Johnson (Mermod), 465
Prologue—Symposium on Comprehensive Health Programs (Howell), 429
Epilogue—Symposium on Comprehensive Health Programs (Howell), 455
The Hungry Millions ((Waugh), 795
Medical Careers (Anthony), 885
Effect of dimethyl sulfoxide on pedical flap blood flow and survival (Roth), 895
Eschbach, Joseph W.: (see Fenton), 1096

F

Faludi, Georgina: Anabolic steroids in muscular, neurologic and hematologic disorders, 346
Family planning and our Latin American colleagues (Brodie), 559
Farnham, Marynia F.: Early and late adolescence, 155
Felton, Harriet M.: Changing patterns in health services for mothers and children, 431
Fenton, Stanley S. A.: Treatment of end-stage renal disease by home hemodialysis, 1096
Field, Miriam H.: Opportunistic fungal infections, 529
Finch, Stuart M.: Influence of emotional problems on the efficacy of sex education, 132
Fine, Douglas P.: (see Sarles), 1126
The first 68 years of renal transplantation ((Sendi; Schurter; Letterman), 998
Fish, Jay C.: (see Sarles), 1126
Five years of clinical experience with cadaver kidney transplantation (Popowniak; Nakamoto), 1120
Fletcher, Joseph: Donor nephrectomies and moral responsibility, 1085
Fly the friendly skies of United Airlines, 879
Fragile neonate (Howell), 615
